

RISK & SAFETY CONSULTING

Partnering with BBSI to provide risk and safety consulting services protects your book of business by lowering your clients' risk profile, decreasing claim frequency, and increasing their loyalty to you as a trusted advisor.

THE BBSI RISK CONSULTANT

Our Risk Consultants can help you advise your clients on strategies to combat increasing claim frequency and rising X-Mods, turning your client conversations about rising premium costs into solution-driven ones. Your clients will also enjoy access to personalized risk assessments and safety trainings for their workforce.

- ✦ Onsite Hazard Analysis
- ✦ Incident Response Planning
- ✦ Compliance Assistance
- ✦ Employee Education

RISK AND SAFETY PROCESS MODEL

“

I was in the middle of a huge crisis with a client when I met BBSI. I had called another broker... and he said, call BBSI; they're the only ones that would be able to take the policy, work with the client, lower their X-Mod, and get them back up and running again. It exactly played out the way I was told. The truth is, they saved the day.”
