

# PROACTIVE WORKERS' COMPENSATION SOLUTIONS

Provide comprehensive, affordable workers' compensation solutions to more clients by partnering with a PEO that takes a proactive approach to risk management.

By partnering with BBSI to meet your clients' workers' comp needs, they'll gain access to a dedicated team of professionals to recommend best practices in HR, risk mitigation, and workplace safety. From claims management review to in-depth safety culture analysis, we'll work with you to identify the root cause of high X-Mods and rising premiums affecting your clients. I always have to be honest with my client; if you want a hands-on, local presence and white-glove service, you go to BBSI. Nine times out of 10, they're also the most cost-effective option."

# HERE'S HOW WE DO IT:

#### **DEDICATED TEAM**

Partnering with BBSI means matching your clients with a dedicated team of professionals whose focus is de-risking their business and improving their profitability.

#### **GAP ANALYSIS**

Our Risk Consultants develop risk management plans for every client to address critical gaps in workplace safety and employee training. They'll work alongside you to help your high-risk clients mitigate rising X-Mods and premium costs.

## **RISK MITIGATION & CULTURAL IMPROVEMENT**

Our risk and safety professionals will help your clients create a company culture that takes a proactive approach to risk mitigation to reduce workers' compensation claim frequency.

## PAY-AS-YOU-GO

Rather than relying on year-end premium audits, our pay-as-you-go model adjusts client premium costs monthly. Eliminating surprises increases the longevity of client relationships.
