

# HUMAN RESOURCES BY YOUR SIDE

The Human Resources Consultant is a key part of the dedicated business unit team that works together to provide strategic consultation on a broad range of organizational issues.

A thorough understanding of HR is critical to this role and real success is achieved through the one-on-one relationships forged with our clients.

As a rapidly growing small business, we understood that we needed help to continue our growth. Partnering with BBSI has helped us build a stronger foundation for the future. They have been instrumental in guiding us through challenging HR decisions. With the help of BBSI, we are confident our future is bright. They are personable, knowledgeable and will help any company reach the next level.”

Aspire Behavioral Care

# YOUR HR PROFESSIONAL

The primary objective of the HR Consultant is to provide guidance, training, and support to clients in the areas of strategic human capital management, benefits administration, employee relations, organizational development, and the overall development of HR best practices.

# SUPPORT OBJECTIVES MAY INCLUDE:

- ✦ Build a thriving company culture
- ✦ Develop the leadership team
- ✦ Create a succession plan
- ✦ Develop a risk mitigation plan
- ✦ Customized a recruiting strategy
- ✦ Develop a reward and recognition strategy

**Failure to comply with employment laws and regulations can lead to costly litigation and penalties. Our experienced HR professionals can help you implement the right policies and practices to help limit your liability.**
