## BUSINESS PARTNER

The Business Partner is your point person on the BBSI Business Unit Team. It's their job to develop a deep understanding of your business. They help the team channel their efforts into a tangible roadmap to positively impact your business.

## HUMAN RESOURCES CONSULTANT

The HR Consultant's priority is understanding your business's most important resource — its people. They will determine if you have the motivated people you need to run your company and reach your business goals.

## PAYROLL SPECIALIST

As businesses grow and scale, compensation and payroll become some of the most challenging areas to manage. BBSI's dedicated payroll professionals have years of experience processing payroll for businesses of different sizes, industries, and multiple employee classifications. The Payroll Specialist's priority is to document your payroll processes, evaluate how efficient and productive they are in practice, and support changes to gain efficiencies and limit mistakes.

## HEALTH BENEFITS CONSULTANT

Choosing the right employee benefit plan has become extremely complex and, in some cases, mandated by law. The BBSI Benefits Consultant is a seasoned industry professional who is there to answer all of your benefits questions, assist with open enrollment and employee communication, and ensure compliance with benefits regulations. They'll even work with your BBSI Payroll Specialist to ensure correct and timely benefit deductions, all to make offering employee benefits as simple and hassle-free as possible.

## RECRUITING SPECIALIST

The Recruiting Specialist is in charge of matching the available talent pool to the right organization based on need and cultural fit. They'll work with you to narrow down exactly what type of employees your company needs. The Recruiting Specialist is essential to business owners preparing to scale, as they can consult on organizational structure.

## RISK & SAFETY CONSULTANT

Businesses that have gone years without an increase in their workers' comp claim frequency and premium costs have to start asking themselves whether they are good at managing risk, or if they are just lucky. The Risk & Safety Consultant specializes in combining their expertise in risk management practices with practical business acumen, so you don't have to leave your employee's safety up to chance.

With a client retention rate of over 90%, local branches within 50 miles of your business, and the stability and purchasing power of a publicly traded company, BBSI will support your growth and bring your vision to life.
