

YOUR LEARNING SOLUTION

At the heart of every successful business is innovation, which is often fueled by a culture of curiosity and learning. Therefore, fostering a learning culture is vital to any businesses success. BBSI U, our innovative learning solution, enables businesses to evolve and adapt to meet ever-changing market and customer needs.

BBSI U offers professional content for various learning styles, providing essential skills and critical compliance training. This learning approach helps your business stay competitive and compliant in today's dynamic and competitive market. BBSI U can streamline your business's educational process while empowering employees to take charge of their professional growth.

HOW IT WORKS

1

SELECT

Identify training needs and goals for business.

- Choose Training Package
- Choose Catalog(s) Content
- Optional - Choose Service Bundle

2

CONNECT

Connect with the BBSI Team, review the LMS Addendum, and identify BBSI U users and their roles. All users must have access via MyBBSI.

3

START LEARNING!

Once access is provided, users will receive a Welcome email. They can start learning right away! 'Getting Started', an orientation course(s), will be available to assist you in learning to navigate the BBSI U.
